New Jersey's Favorite Oldies Group. The Cameos, which first hit the charts in 1959 with "Rock and Roll Arabian Nights," has continued to entertain music lovers by keeping the "oldies" sound alive. The music of the 50's and 60's holds a special memory for those of us who grew up with it. It was music you could sing along with, music you could dance to, music you fell in love with.
