Museum Goes To Lead East

Lead East claims to be the “Biggest 50’s Party In The World”. It is a four-day event over Labor Day weekend at the Hilton Hotel in Parsippany, NJ. Museum Fund Raising Committee Chairman, Tim O’Rourke, suggested bringing our Mustang and selling raffle tickets before concluding our 2008 raffle in September. Our display was attractive and professional as pictured below.

From left: Tim O’Rourke, Bob Galik and Vince Tieto. Museum members who also worked the stand are Ed and Diane Yesunas, Dave DiEugenio, Gary and Ann Stabile, John and Valerie Mahoney, Ken Stalgaitis, Judi O’Rourke and Kevin Donahue. Thank you for your time and talent.

Place Lead East on your calendar for 2009. It is a unique experience with thousands of beautiful antique cars constantly parading around the fair grounds.

Museum Meetings

You are invited! We meet the 3rd Wednesday of every month at the Community Center in Seaside Heights. 7:15 PM start. Adjourn target is 8:30 PM. Please come, meet the Trustees and help us build the only public antique automobile museum in New Jersey.

Vintage Automobile Club Of Ocean County Car Show

Wow, What a Show! The 29th Annual VACOC Car Show was second to none. We had 312 vehicles registered. The weather was perfect and the crowd was outstanding. We had 4 Museum Clubs attend the show: The Buick Club Of America, The North Shore Antique Automobile Club, The Sentimental Cruisers, The Rollin' Oldies Car Club and VACOC. We just keep getting stronger and stronger. If your Club would like to join this exciting adventure, to build New Jersey's only public Antique Automobile Museum, just call Dave at 609-713-4310.

One of the cars on display was this beautiful 1965 tri-power Pontiac GTO driven by Joe Babick, Jr. This car was totally restored and beautifully presented. It won the Judge's Award Trophy. The Museum welcomes Joe and his father, Joe Babick, Sr. and his father-in-law, Walter Zennario as new members of the Vintage Automobile Museum of NJ.

TRADITIONS AT HAMILTON CROSSING BY PULTE HOMES

Our new sponsor gave us a grand welcoming at their beautiful facility on a beautiful day. Sixteen (16) Museum members traveled in caravan to present another attractive display. Thank you to all who attended.

Before I close, let me thank you for your loyal support. Thank you for all you are doing for the Museum. Your generosity and suggestions make us better.

For the Troops now deployed far from their homes, everyone here at the VAMNJ prays for your safe return to your families and friends.
